4th Sunday of Lent March 19, 2023

Spiritually, light is associated with life itself, with transformation and hope. "Let there be light!" is the first command of the Creator God of Genesis. "I am the light of the world," Declares Jesus, God's fullest self revelation in time as he brings vision - light to darkness - to a blind man. Through Jesus' resurrection we are similarly transformed in Christ, says St. Paul to the church at Ephesus - so live "as children of light."

Stewardship Reflection

"Not as man sees does God see, because man sees the appearance but the Lord looks into the heart." - 1 Samuel 16:7

How often do we invest our time, talent and treasure in creating an appearance that does not matter at all to God? We strive to impress with our clothing, home, career, possessions, car and other marks of distinction. But none of these illusions of greatness will impress God. Instead, He will look into our hearts to see how much we loved Him, how much we loved others and how we showed that love by the way we used our time, talent and treasure here on earth.

Defence of land and territory: Around the world, many communities are mobilizing to defend their territories against threats posed by extractive industries and industrial agriculture. These people are often threatened, criminalized or even killed when they stand up to protect their lands, their livelihoods and their very existence.

Development and Peace – Caritas Canada stands in solidarity with these peoples. With our partners, we support communities' efforts to protect their territories and biodiversity for present and future generations. This Lent, stand for the land. Learn more at www.dev.org.

Our Parish is subscribed to formed.org, a website with Catholic videos, audiobooks, and e-books. Every parishioner has 24/7 access to the best Catholic content from home. To access this website go to formed.org and sign up with Our Lady of Good Hope.
